Chief Judge

U.S. District Court for the District of Delaware

Wilmington, DE 19801

Re: Tillman v. Pepsi Bottling Group, et.al
C.A. No. 04-1314 (SLR).

Dear Judge Robinson:

I am writing to withdraw my Motion to Withdraw as Local Counsel in the above-captioned which was filed with the Court on February 26, 2007. This morning I received by Federal Express a check from Lead Counsel on behalf of Plaintiff, Ms. Tillman, paying the past due balance. I have agreed to continue as Local Counsel as long as payment of Invoices are kept current. Should that not occur, I will re-file the Motion.

I apologize for any inconvenience this has caused the Court. Hopefully, I will not need to seek the Court's assistance on this issue again.

Respectfully,

Barbara H. Stratton
